

We are delighted to introduce you to One to One Support Services. Our services were launched in the Midlands area in 2006. We provide a full range of support services to people of all ages and specialising in services for those with additional needs. Our support services are designed around your wishes and needs and are provided at a time and place of your choice. The services provided by our support team have gained One to One Support Services a reputation of excellence, quality, reliability and coordination of care. A manager is on call 24 hours a day for help and advice for our staff and clients.

One to One Support Services details

We recognise that for children with complex needs and sensory impairments, education problems are increased with each additional disability. Our services and staff aim to promote independence of the child and support them to maximise their skills and abilities to the best of their potential.

Remembering that children need stimulation and lots of fun in a safe environment from people who can communicate in the child's preferred language and actively learn to understand them and their needs.

Family Support Workers can assist you with:

- Appointments
- Groups, clubs, creches, visiting friends
- Accessing the community, shopping etc
- Daily life activities, in and out of the home
- Relief / respite time / sitting service
- Communication support, language systems
- Behaviour Management support

The majority of our Family support workers have transport and will escort you where you need to go.

How do we work?

The amount of hours for a support services can vary. The hours can be used on an ad hoc basis, daily or weekly. At a time and place of your choice. Staff are available every day, 7 days a week including evenings. We work to suit you. You may just want assistance during school holiday periods.
